Caslon Limited are proud to present the HF-85 Table Top Foil Blocking machine. This great little foiling machine will print on all paper, board substrates, pens, pencils and bookmatches.

It has been designed for use with traditional metal blocks or photopolymer printing plates. Mounting systems for both are supplied within the price of the standard machine.

Unlike other tabletop machines the HF-85 incorporates a tough 600-watt heater unit, which is digitally controlled enabling a constant temperature to be held. It is accurate to plus or minus 2 degrees centigrade.

Hot Foiling has always been a very popular home business. The HF-85 only needs a tabletop and a standard power point. There is No Mess, No Noise, No Smell, No Drying time or Ink mixing in the process.

The machine comes with the unique "Clipper Block" system and one mounting block for holding a photopolymer plate. Mounting blocks are available in these sizes: 42 x 48mm, 42 x 100mm, 42 x 160mm, 100 x 100mm and 100 x 160mm.

The HF-85 will print Letterheads, Pens, Flexible plastic, Labels, Personalised tickets, Menus, Membership Cards, Boxes, Tax disc holders, Badges, Christmas Cards, Pencils, Cases, Rosettes, Rulers, Wedding Stationary, Greetings Cards, Fabric, Coasters, Diaries, Business Cards, Tickets, Leather belts, Tags, Electrical Parts, Key Fobs, Fixture cards, Serviettes, Playing Cards, Beer mats, Plastic Cards, Envelopes, Book matches, Calendars, Bookmarks the list is almost endless.

An A4 Extension Plate, Pen holder, Bookmatch Holder, Book Holder, automatic card feeder and automatic ribbon feeder are also available as optional extras. Please ask us for more information about platemaking equipment and foil supplies.
